01

Executive Summary & Project Overview

Harbor Point Business District is Aurora Crest's flagship commercial development — a 99-acre mixed-use district designed to become Mumbai's next iconic business address. Positioned at the strategic junction of the BKC extension corridor and the upcoming coastal road connector, Harbor Point integrates Grade-A office towers, premium retail promenades, co-working hubs, a convention centre, and luxury hospitality — all within a single, masterplanned urban precinct.

Vision Statement

Harbor Point aspires to redefine the Mumbai commercial real estate experience — moving beyond the single-tower paradigm toward a live-work-play district modelled on international precedents such as Singapore's Marina Bay, London's Canary Wharf, and New York's Hudson Yards. The development is designed to accommodate 7,061 daily users at full occupancy, supported by infrastructure scaled for 15,000 peak-day visitors.

Key Project Metrics

99 Acres Land Area	7.2M sqft Total Built-Up	7,061+ Daily Users	Q1 2030 Completion	11–18% Annual Appreciation	9% Peak Rental Yield
--	--	--	--	--	---

02

Location Analysis & Connectivity

Project Location: Mumbai, Maharashtra | Micro-Market: BKC Extension (Kurla West – Bandra East)

Distance & Connectivity Matrix

Destination', 'Distance / Travel Time']	
Bandra-Kurla Complex (BKC)	1.8 km / ~6 min
Chhatrapati Shivaji Maharaj Terminal (CSMT)	12 km / 25 min (METRO LINE 3)
Mumbai International Airport (T2)	6 km / 15 min
Bandra Metro (Line 2)	3.5 km
Chhatrapati Shivaji Maharaj Railway Station (Central + Harbour)	2.2 km
Eastern Freeway (E-Exp)	3.0 km
Proposed Coastal Road Connector	1.0 km

Key Social Infrastructure Nearby

- Bandra-Kurla Complex (India's premier business hub)
- US Consulate General Mumbai (BKC)
- Jio World Drive Mall (1.8 km)
- Sofitel BKC (adjacent)
- NESCO IT Park (6 km)
- Hiranandani Business Park, Powai (14 km)

Micro-Market Commentary

BKC Extension is the next phase of Mumbai's commercial expansion after the BKC district reached saturation. The State Government's Dharavi Redevelopment Project and the Eastern Waterfront masterplan (both within 5 km) are projected to drive a fresh wave of corporate demand in this corridor. Mumbai Metro Line 3 (Aqua Line) has a dedicated station 1.8 km from the site, dramatically improving employee accessibility.

03

Architecture & Master Plan

Design Philosophy

Harbor Point is designed by Skidmore, Owings & Merrill (SOM) in joint design venture with Mumbai-based RSP Architects. The office towers feature a faceted glass-and-steel curtain wall inspired by the crystalline geometry of ship prows, paying homage to Mumbai’s maritime heritage. Floor plates range from 28,000 sqft to 42,000 sqft (column-free), accommodating both large corporate occupiers and flexible floor subdivisions. The precinct’s ground plane is entirely pedestrian — all vehicular traffic is routed through 4 levels of underground parking.

Structural Engineering

Office towers employ a tube-in-tube structural system (reinforced concrete core + perimeter column-beam frame), optimised for Mumbai’s Seismic Zone III classification and high wind speeds (design wind speed: 44 m/s per IS 875 Part 3). The foundation system is a machine-bored pile raft on Deccan Trap basalt — pile diameter 1.2m, depth 24–36m. Dynamic wind analysis conducted with CFD modelling; damper systems (TMD) on floors 40+ of Pinnacle Tower.

Tower / Block Schedule

Tower / Block	Height / Configuration	Unit Type	Count / Area
Pinnacle Tower – Office A	B+G+55 storeys	Grade-A Office	1.4M sqft leasable
Apex Tower – Office B	B+G+48 storeys	Grade-A Office + Co-working	1.1M sqft
Commerce Tower – Office C	B+G+35 storeys	Boutique Office / BFSI	680K sqft
Galleria Block – Retail	G+5 storeys	Luxury Retail + F&B;	420K sqft
Convention Centre	G+3 storeys standalone	Meetings & Events	180K sqft
Hospitality Tower	B+G+28 storeys	Business Hotel (proposed)	350 keys

04

Unit Configuration & Floor Area Schedule

Configuration	Area	Price Range	Count
Grade-A Office – Small Suite	2,500–5,000 sqft	■28,000–■32,000/sqft	Office A, B, C
Grade-A Office – Mid Floor	8,000–22,000 sqft	■30,000–■35,000/sqft	Office A, B
Grade-A Office – Full Floor	28,000–42,000 sqft	■32,000–■38,000/sqft	Pinnacle Tower A
Co-working Suite (Managed)	300–1,200 sqft	■9,500/seat/mo (all-incl.)	Apex Tower B
Retail Storefront – Ground	800–4,000 sqft	■45,000–■65,000/sqft	Galleria Block
F&B; Pad – Restaurant / Cafe	1,500–6,000 sqft	■38,000–■55,000/sqft	Galleria Block

Interior & Construction Specifications

Office Shell & Core	Bare-shell delivery; raised access floor (150mm void); exposed concrete soffit
Fit-out Package (Optional)	Full fit-out available at ■3,500–■5,000/sqft; BIM-coordinated delivery
Ceiling Height (Office)	Slab-to-slab 4.2m; finished ceiling height 3.0m (with services)
Façade	Unitised curtain wall; Interpane or Sedak low-E triple-silver-coated glass; SHGC 0.22
Elevators	Schindler 7000 / KONE MonoSpace series; 4.0 m/s; destination control system
HVAC (Shell)	Central AHU + VAV system; 100% fresh air pre-conditioned; IAQ monitoring
Electrical	11 kV HT supply per tower; 2 independent feeders from BEST/TATA grid; 100% DG backup
Fire Safety	NFPA 13 sprinkler + wet riser; addressable AFA system; pressurised staircases
BMS	Honeywell EBI Enterprise BMS; centralised monitoring of HVAC, lighting, lifts, fire
Toilets	One male + one female washroom per 12,000 sqft floor plate; LEED IE credit
Parking	4 levels basement (4,200 ECS); ANPR + app-based parking guidance; EV charging

Connectivity	Conduit-ready for 4 fibre providers; Meet-me room (MMR) on each tower podium floor
NABERS / LEED	Targeting LEED v4 BD+C Platinum; WELL Building Standard v2 Silver

05

Amenities & Lifestyle Features

Clubhouse & Indoor Amenities

- State-of-the-art 18,000 sqft Convention & Conference Centre (plenary hall: 1,200 pax)
- 8 breakout meeting rooms (25–80 pax) with AV-enabled tech fit-out
- Premium F&B; street on Level 1: 14 curated restaurant brands + food court (800 pax)
- Sky dining lounge on Pinnacle Tower floor 50 (private dining; 80 covers)
- Business hotel with 350 keys (proposed Phase 2); extended-stay suites
- Helipad (atop Pinnacle Tower; FAA/DGCA compliant; night-landing capable)
- Dedicated logistics corridor (Level B2) with 24×7 operations for retail deliveries

Outdoor & Recreational Amenities

- 2-acre central landscaped plaza (pedestrian piazza; water feature; weekend markets)
- Rooftop sky gardens on Levels 10, 25, 40 of Pinnacle Tower (open to tenants)
- Cycling lanes (2.4 km loop within precinct); 200-cycle secure parking
- Automated multi-level car parking tower (750 ECS dedicated; robotic retrieval)
- EV charging: 600 smart chargers across parking levels; Tata Power EZ Charge network
- Public art installations (international commissions; rotating 3-year programme)
- Waterfront promenade (eastern boundary; 400m; café kiosks; seating)

Resident Services & Building Operations

- Single point Integrated Facility Management (IFM) by JLL / CBRE
- 24×7 security: X-ray baggage screening at main entry; DFMD at tower lobbies
- Smart access: face recognition + RFID employee card; visitor pre-registration
- Dedicated tenant services app (Harbor Connect): meeting room booking, visitor, helpdesk, F&B;
- High-speed internet: Dedicated 10 Gbps backbone per tower; in-building DAS for 4G/5G
- Concierge & valet; shuttle service to BKC & Airport

06

Sustainability & Green Initiatives

Harbor Point Business District is targeting LEED v4 BD+C Platinum — the highest achievable certification for commercial buildings — alongside a WELL Building Standard v2 Silver registration for occupant health and wellbeing. The project will be one of the first commercial developments in Mumbai to achieve a 30% reduction in embodied carbon through an EPD-verified (Environmental Product Declaration) material procurement strategy.

Sustainability Initiatives Detail

Solar PV	3.2 MWp facade-integrated BIPV (Building-Integrated PV) panels
Energy Reduction	30% vs ECBC baseline; achieved via passive design, BMS, and HVAC efficiency
Smart Metering	Sub-metering per floor per tenant; integrated with LEED AE credit
Water Reduction	40% potable water savings via sensor-operated fixtures & grey water reuse
Cooling Tower	Variable speed drives; drift eliminators; chemical-free UV water treatment
Embodied Carbon	25% GGBS in concrete; low-carbon steel (recycled content ≥ 30%)
Waste	Construction waste management plan; 90% diversion from landfill
IAQ	CO2 sensors per zone; 100% outdoor air pre-filtration (MERV-13); VOC monitoring
Green Transportation	400 cycle spaces; showers/changing rooms for cyclists; EV priority parking
Heat Island	Cool roof (SRI > 82); 45% of site area as vegetated/permeable surface

07

Smart Home & Intelligent Building Systems

Harbor Point's 'intelligent district' ambition extends far beyond individual building automation. A district-level Digital Twin (built on Bentley iTwin platform) will model the entire 99-acre precinct in real-time — integrating energy consumption, crowd density, parking utilisation, security feeds, and maintenance schedules into a single command dashboard.

Technology Features

District Digital Twin	Real-time 3D model of all buildings, MEP, footfall, energy
AI Crowd Management	Computer vision at all major pedestrian entry/exit points; load prediction
Predictive HVAC	ML-based occupancy prediction; pre-cooling/heating schedules
Smart Parking	Real-time bay availability; app-guided navigation; payment integration
Automated Lighting	DALI daylight harvesting throughout; circadian rhythm in offices
District App (Harbor Connect)	One app: access, visitor, booking, F&B,, parking, helpdesk
Cyber Security	ISO 27001 SOC; network segmentation; 24×7 SOC monitoring
EV Demand Response	Charging load balancing to prevent grid peak demand charges

08

Market Analysis & Competitive Landscape

Mumbai commercial real estate vacancy rates fell to 8.2% in Q1 2024 — the lowest in a decade — with Grade-A absorption of 9.4 million sqft in FY2023–24. BKC remains at sub-3% vacancy, driving significant tenant demand spillover into adjacent corridors. Harbor Point's entry into the market at Q1 2030 is timed precisely to coincide with the operational launch of Metro Line 3's BKC station and the opening of the Bandra Coastal Road connector.

Market Comparables

One BKC – Bandra-Kurla	■32,000/sqft	4.5M sqft	Delivered	98% Leased
One BKC – Bandra-Kurla	■32,000/sqft	4.5M sqft	Delivered	98% Leased
Nesco IT Park VII – Goregaon	■16,500/sqft	1.2M sqft	2024	85% Pre-leased
Oberoi Commerz III – Goregaon	■18,000/sqft	1.8M sqft	2025	Active
Lodha Supremus 2 – Thane	■14,000/sqft	2.1M sqft	2026	Active
Harbor Point – BKC Ext.	■30,000/sqft	7.2M sqft	2030	Pre-launch

Price Appreciation Forecast

Year	Price / sqft	Annual Change	Commentary
FY2025	■30,000/sqft	—	Launch
FY2027 (Proj.)	■34,500/sqft	+7.3%	Structure Complete
FY2030 (Proj.)	■41,000/sqft	+9.1% CAGR	Delivery & Lease-up

09

Investment Analysis & Financial Projections

Commercial real estate in Mumbai's premium corridors delivers among the highest risk-adjusted returns in Indian real estate. Strata title ownership of Grade-A office in Harbor Point is structured through a SEBI-registered REIT-compatible SPV, enabling institutional co-investment and eventual REIT listing for liquidity.

Projected Rental Yield by Unit Type

Configuration	Expected Rent	Gross Yield	Target Tenant
Grade-A Office	■210–■280/sqft/month	~8.5% gross	Corporate / BFSI Tenants
Retail – Ground	■320–■480/sqft/month	~9.0% gross	Premium F&B; / Luxury brands
Co-working Strata	■9,500/seat/mo (all-incl.)	~7.5% net	Managed by operator

Payment Plan Options

Payment Plan	Structure	Notes
CLP (Office)	20:20:20:20:10:10	Milestone-linked construction plan
Pre-Lease Plan	Bulk discount 8% for lease commitment pre-construction	Anchor tenants
REIT Pool Investment	Minimum ■50L; pooled ownership via SPV; SEBI compliant	Institutional

Legal Framework, Approvals & Compliance

RERA Registration

MH/MUMBAI/2024/COMM/0881 – Registered with MahaRERA (Maharashtra RERA)

Land Title & Ownership

Leasehold (MMRDA 60-year lease; 30-year extension clause). Title opinion: Cyril Amarchand Mangaldas.

Regulatory Approvals

BMC Building Plan	Approved – BP/2024/Mumbai/KRL/0447
MMRDA NOC	MMRDA designated zone; NOC issued 12-Jan-2024
Environmental Clearance	MoEFCC Category A; EIA by AECOM India; EC granted
Heritage NOC	No heritage structure within 200m radius; Heritage Committee NOC obtained
Fire NOC	CFO Mumbai – Stage I issued
MahaRERA Registration	Registered; all units RERA-tagged

Legal & Corporate Structure

The project is structured through Harbor Point Developers SPV Pvt. Ltd. (CIN: U70200MH2023PTC311242). MMRDA lease is assigned to the SPV with sub-lease rights to individual unit purchasers. Lease premium and annual lease rent schedule disclosed in the Agreement for Sale.

11

Construction Timeline & Project Milestones

Q1 2024	MMRDA lease execution; MahaRERA registration
Q2 2024	EC granted; foundation contract awarded (L&T; Construction)
Q3 2024	Excavation & dewatering commenced – all 4 basement levels
Q4 2024	Piling complete; raft foundation Pinnacle Tower commenced
Q1 2025	Raft foundation all towers; basement slab construction
Q2 2025	Superstructure commencement: Pinnacle Tower (Floors 1–10)
Q3 2025	Apex Tower superstructure; Commerce Tower foundation
Q4 2025	Pinnacle Tower at floor 25; Galleria Block structural frame
Q2 2026	Pinnacle Tower at floor 40; curtain wall installation commences
Q4 2026	Pinnacle Tower topped out (floor 55); Convention Centre structure
Q1 2027	Apex Tower topped out; mechanical/electrical rough-in
Q4 2027	All towers structurally complete; BMS backbone installation
Q2 2028	Façade complete all towers; Galleria tenant fit-out
Q4 2028	MEP commissioning; District Digital Twin go-live (testing)
Q2 2029	Pre-OC inspection; LEED documentation submission
Q1 2030	OC obtained; anchor tenant possession; public piazza opening

12

Property Management & Post-Possession Services

Harbor Point will be managed by an IFM (Integrated Facility Management) provider selected through international competitive tender (shortlisted: JLL, CBRE, Colliers). An Association of Commercial Unit Owners (ACUO) will be constituted within 6 months of first OC to represent owner interests on sinking fund, service charge audits, and major capital expenditure decisions.

Estimated Monthly Maintenance Charges

Maintenance charges are indicative at launch and will be finalised 6 months prior to possession based on actual operating cost estimates. Charges exclude electricity, individual unit consumption, and optional add-on services.

Unit Type	Estimated Maintenance Charge
Office (all grades)	■22–■28/sqft/month (maintenance; excl. utilities)
Retail	■28–■35/sqft/month (maintenance; excl. utilities)
Co-working	Included in all-inclusive seat charge

13

Frequently Asked Questions (FAQ)

Q: What is the RERA registration number for this project?

A: MH/MUMBAI/2024/COMM/0881 – Registered with MahaRERA (Maharashtra RERA)

Q: When will possession be offered?

A: Target possession is Mixed-Use Commercial & Retail Complex. Kindly refer to the Construction Timeline (Section 11) for milestone details. The developer commits to possession within the timeline registered with the respective state RERA authority.

Q: Is the project approved by banks for home loans?

A: Yes. The project is pre-approved by SBI, HDFC Bank, ICICI Bank, Kotak Mahindra Bank, Axis Bank, and Bank of Baroda. A dedicated home loan assistance desk is available at the sales centre.

Q: Are NRIs permitted to purchase?

A: Yes. NRIs and OCIs may purchase under the Foreign Exchange Management Act (FEMA) 1999 and RBI regulations. Funds must be remitted from an NRE / NRO / FCNR account. Dedicated NRI relationship managers are available.

Q: What are the stamp duty and registration charges?

A: Stamp duty and registration charges are as per the applicable state government schedule at the time of execution of the Agreement for Sale / Sale Deed. Buyers are advised to consult their legal counsel.

Q: Is there a guaranteed rental return scheme?

A: Aurora Crest does not offer guaranteed rental schemes. Rental yield projections in this document are based on market analysis and are not guarantees. Actual yields may vary.

Q: When will the sample flat / show unit be available?

A: Sample flats are expected to be ready approximately 30 months after construction commencement. Virtual 3D walkthroughs are available immediately on the project website.

Q: What is the process to book a unit?

A: Step 1: Select unit from availability chart. Step 2: Submit EOI (Expression of Interest) with booking cheque (₹1L–₹5L). Step 3: Agreement for Sale executed within 60 days. Step 4: Payment as per selected plan.

Q: What happens if the project is delayed beyond the RERA timeline?

A: In case of delay beyond the RERA-registered completion date, buyers are entitled to interest compensation at SBI MCLR + 2% per annum on amounts paid, as per the Real Estate (Regulation and Development) Act, 2016.

Q: Can I resell my unit before possession?

A: Yes. Resale during construction is permissible. The buyer must execute a tripartite agreement with the developer, and all transfer charges as per the Agreement for Sale terms will apply.
