Executive Summary & Project Overview

Azure Coast Marina Homes is a singular waterfront residential address on Kochi's northern coast — a collection of meticulously crafted luxury apartments and sky villas designed to place residents in intimate dialogue with the Arabian Sea. The 74-acre development along the Cherai-Kochi Marine Drive extension features a dedicated private marina, sea-view sky decks, and a floating café, creating a unique maritime lifestyle experience unprecedented in South India.

Vision Statement

Aurora Crest's vision for Azure Coast is to establish Kochi as a serious contender on the South Asian luxury waterfront real estate map — drawing inspiration from Dubai Marina, Singapore's Sentosa Cove, and Mumbai's Marine Lines — while remaining deeply rooted in Kerala's cultural heritage and ecological sensitivity to the coastal environment.

Location Analysis & Connectivity

Project Location: Kochi, Kerala | Micro-Market: Cherai – Njarakkal (Kanayannur Taluk)

Distance & Connectivity Matrix

Destination, 'Distance / Travel Time']	
Cochin International Airport	24 km / ~32 min via CIAL expressway
Ernakulam Junction (Railway)	22 km / ~35 min
Fort Kochi Heritage Zone	12 km / ~25 min (ferry option: 18 min)
Lulu Mall Kochi	20 km / ~30 min
Infopark Kochi – IT Hub	28 km / ~42 min
Cherai Beach (public beach)	2.0 km
Vypin Island Ferry Terminal	3.5 km

Key Social Infrastructure Nearby

- Cherai Beach (pristine, uncrowded; 2 km)
- Amrita Institute of Medical Sciences (28 km)
- Rajagiri Public School (14 km)
- Cherai Backwater (0.5 km – visible from site)
- Kochi Smart City (18 km)
- Munambam Fishing Harbour (4 km)

Micro-Market Commentary

The Cherai-Njarakkal corridor on Vypin Island is undergoing rapid transformation: the Goshree Bridges (already operational) have erased the island's connectivity disadvantage, and the State Government's Marine Drive Extension masterplan envisions a continuous waterfront boulevard from Cherai to Marine Drive, Ernakulam. Property values have appreciated 38% in the 2021–2024 period.

03

Architecture & Master Plan

Design Philosophy

Azure Coast is designed by Singapore-based W Architects in collaboration with Kochi's George Mathew Associates. The towers employ a sculptural stepped massing that cascades down toward the seafront, ensuring unobstructed sea views from every unit. The façade is characterised by curved balconies with perforated aluminium sun-screens inspired by traditional Kerala wood-lattice (tharavam) motifs. Wind-tunnel testing confirmed that the stepped form reduces wind-induced vibration by 28% compared to a conventional slab form.

Structural Engineering

Marine environment corrosion protection is the defining structural challenge. All reinforcement steel is epoxy-coated with minimum 75mm cover to concrete in splash zone. Pile caps are UHPC (Ultra-High Performance Concrete, $f_c'=100$ MPa) with XS3 exposure classification as per IS 456. Marine-grade stainless steel is used for all embedded fixings. Structural design conforms to IS 1893:2016 Seismic Zone III and IS 875 Part 3 (Cyclone Wind Zone).

Sustainability & Green Initiatives

Azure Coast Marina Homes is pursuing IGBC Green Homes Platinum, with a particular focus on coastal ecology, minimising the project's impact on the adjacent Arabian Sea and Cherai Backwater ecosystem. A Coastal Environmental Management Plan (CEMP) has been developed in consultation with the National Centre for Earth Science Studies (NCESS), Thiruvananthapuram. The project targets a 36% reduction in annual energy consumption vs conventional benchmarks.

Sustainability Initiatives Detail

Wave Energy Study	Tidal energy feasibility assessed; pilot 50 kW oscillating water column device
Solar PV	1.5 MWp rooftop; marine-grade panels with anti-corrosion coating
Seawater Heat Pump	HVAC pre-conditioning using seawater heat exchange (COP 4.8)
Desalination (Emergency)	Emergency RO plant for potable water backup during disruptions
STP	500 KLD MBR (Membrane Bioreactor) STP; zero discharge to sea; 100% reuse
Mangrove Restoration	3-acre mangrove plantation; annual monitoring by NCESS
Anti-fouling (Marina)	Eco-friendly non-biocidal hull paint for all marina vessels (mandatory)
Plastic-Free Zone	Entire waterfront zone designated plastic-free; biodegradable alternatives
Storm Surge Protection	1.5m raised plinth level; seawall reinforced to 1-in-200yr flood event
Green Roof	Vegetated roof on Marina Residences podium (3,500 sqm native plants)
Carbon Neutral Target	Net-zero operational carbon by FY2035 via renewable + offsets

07

Smart Home & Intelligent Building Systems

Azure Coast integrates a Crestron-based smart home system throughout — chosen for its reliability in marine environments (salt-fog tested components) and its seamless integration with the building’s centralised BMS. The system is pre-configured with 'marina lifestyle' presets: tide-synchronised lighting, sunset scene activation, and real-time sea conditions display on the 10-inch villa control panel.

Technology Features

Tide & Weather Dashboard	Live tide height, wave height, wind speed on villa panel
Marina App Integration	Book berth, monitor boat, get weather window alerts via app
Mood Lighting	Pre-set scenes: Sunrise, Sundowner, Moonlight, Cinema, Entertaining
Automated Blinds	Motorised marine-grade roller blinds; auto-deploy on high-wind detection
Anti-Corrosion Alerts	Humidity + salt sensors in MEP shafts; predictive maintenance alerts
Smart Locks	Schlage / Yale marine-grade smart lock; biometric + pin + app
Energy Monitor	Solar gen. vs consumption; monthly sea-view energy report
Emergency Alert	Cyclone warning integration with IMD; automatic alert to residents

08

Market Analysis & Competitive Landscape

Kochi's luxury residential market is experiencing a structural uplift driven by the metro rail phase 2 expansion, the Kochi-Trivandrum industrial corridor, and massive NRI investment inflows from the Gulf Cooperation Council (GCC) region. Waterfront properties in Kochi command a 40–60% price premium over non-waterfront equivalents, with vacancy rates for premium units below 5%.

Investment Analysis & Financial Projections

Azure Coast's marina-front positioning unlocks a premium short-term rental market catering to yachting enthusiasts, GCC NRIs, and high-end tourists. The Kochi tourism market recorded 5.2 million visitors in FY2023–24 — the highest since pre-pandemic — supporting robust hospitality yields. Studio and 1 BHK units are particularly suited for managed short-term rental under the Aurora Living Services 'Marina Stays' programme.

Projected Rental Yield by Unit Type

Configuration	Expected Rent	Gross Yield	Target Tenant
Studio	■4,500–8,000/night (holiday let)	~8.5% gross	Marina Stays Programme
1 BHK Sea-view	■55,000–75,000/month (long-let)	~7.2% gross	Corporate / NRI
3 BHK Sky Villa	■1.8L–2.6L/month (long-let)	~6.5% gross	Premium Corporate
Penthouse Duplex	■25,000–45,000/night (short-let)	~7.0% gross	Luxury Leisure
