01

Executive Summary & Project Overview

Maple Crown Integrated Township is Aurora Crest's most comprehensive planning endeavour — a self-contained urban ecosystem spanning 55 acres in Pune's fastest-growing IT corridor at Hinjewadi Phase IV. The township integrates premium residential apartments, an international school campus, a full-service medical centre, a sports arena, a community retail boulevard, and an extensive public realm — all woven together through pedestrian-first planning principles and a robust smart city backbone.

Vision Statement

Maple Crown is built on the township principle: that a truly great community eliminates the daily friction of city life by bringing every essential and aspirational function within walking distance. From the international school your children attend to the gym where you train, from the medical centre where you receive care to the restaurants where you celebrate — Maple Crown provides it all within one masterplanned, beautifully managed address.

Key Project Metrics

55 Acres Land Area	5,736 Expected Residents	Q1 2028 Completion	12–16% Annual Appreciation	3–9% Rental Yield	IGBC Platinum Green Target
--	--	--	--	---	--

02

Location Analysis & Connectivity

Project Location: Pune, Maharashtra | Micro-Market: Hinjewadi Phase IV (Rajiv Gandhi IT Park Corridor)

Distance & Connectivity Matrix

Destination', 'Distance / Travel Time']	
Hinjewadi IT Park Phase I-III	2.5 km / ~6 min
Pune International Airport	31 km / ~45 min
Pune Railway Station (Central)	22 km / ~35 min
Shivajinagar	18 km / ~28 min
Mumbai-Pune Expressway (NH-48)	4 km
Proposed Metro Line 3 (Hinjewadi-Shivajinagar)	Hinjewadi station: 2 km
Wakad (Residential Hub)	5 km / ~10 min

Key Social Infrastructure Nearby

- Rajiv Gandhi IT Park (world's 3rd largest IT park; 2.5 km)
- Infosys, TCS, Wipro campuses (within 5 km)
- Symbiosis International University (12 km)
- Medicovert Hospital Hinjewadi (3 km)
- D-Mart Wakad (4 km)
- Xion Mall Hinjewadi (3 km)

Micro-Market Commentary

Hinjewadi is home to over 350 IT/ITeS companies employing 400,000+ professionals — the second-largest IT employment cluster in India after Bengaluru's Electronic City. Phase IV is the final planned extension of the park, offering the last large-format land parcels in the corridor. The proposed Metro Line 3 will reduce Hinjewadi-to-Shivajinagar commute from 45 minutes to 22 minutes, further catalysing residential demand.

03

Architecture & Master Plan

Design Philosophy

Maple Crown is masterplanned by Cuningham Group (USA) in joint venture with Pune-based DESIGN+ARCHITECTURE. The township follows a 'radial community hub' planning model: the central community park and school campus anchor the core, with residential towers arranged in concentric semicircles and the retail boulevard forming the commercial spine along the primary road frontage. No residential window faces a car-dominated street — all views are oriented toward internal green courtyards.

Structural Engineering

All residential towers employ a RCC flat slab + shear core system, designed for Pune's Seismic Zone III (medium) classification per IS 1893:2016. The school and medical centre are designed to Post-Disaster Building (Performance Level 3) standards, ensuring operational capability during seismic events. The sports arena employs a long-span steel space-frame dome (45m clear span) with ETFE cushion roofing for natural daylighting.

Tower / Block Schedule

Tower / Block	Height / Configuration	Unit Type	Count / Area
Maple Towers – Block A & B	B+G+28 storeys (×2)	Affordable apartments	840 units
Crown Towers – Block C & D	B+G+32 storeys (×2)	Premium duplexes	620 units
International School Campus	G+4 storeys (standalone)	K–12 International School	2,400 students
Medical Centre	G+6 storeys (standalone)	Full-service hospital (200 beds)	Commercial
Sports Arena	G+2 (dome structure)	Indoor sports complex	Community
Retail Boulevard	G+2 (mixed use)	Shops, restaurants, services	180,000 sqft

04

Unit Configuration & Floor Area Schedule

Configuration	Area	Price Range	Count
1 BHK Affordable	575 sqft (carpet)	■45L – ■58L	Block A
2 BHK Affordable	875 sqft (carpet)	■72L – ■88L	Block A, B
2 BHK Premium	1,020 sqft (carpet)	■92L – ■1.08 Cr	Block B
3 BHK Premium Duplex	1,560 sqft (carpet)	■1.50 Cr – ■1.85 Cr	Block C, D
4 BHK Premium Duplex	2,200 sqft (carpet)	■2.20 Cr – ■2.70 Cr	Block D – Top 8 Floors

Interior & Construction Specifications

Living Flooring	Vitrified tiles 800×800mm (Kajaria / RAK Ceramics)
Bedroom Flooring	Laminated wooden flooring (8mm, AC4 rating) – Premium units; vitrified – Affordable
Kitchen	Semi-modular kitchen (Hafele carcass; granite countertop); Franke SS sink
Bathroom Fittings	Cera / Parryware sanitaryware; Jaquar / Hindware CP fittings
Bathroom Tiles	300×600mm wall tiles; anti-skid floor tiles (Somany / Kajaria)
Doors – Main	Pre-hung solid core door; 3-lever mortice lock
Doors – Internal	Flush doors (36mm thick) with SS hardware
Windows	Aluminium powder-coated sliding windows with mosquito mesh
Ceiling Height	2.85 m clear height (3.0 m floor-to-floor)
Duplex Ceiling	4.5 m double-height living (Crown Tower duplexes)
Electrical	3-phase supply per unit; Schneider / Havells MCB; concealed copper wiring
AC Provision	Provision for split AC in all rooms; copper piping pre-run
Smart Home (Basic)	Digital door lock; app-controlled common area access
Smart Home (Premium)	Full Alexa integration; mood lighting; security camera (Crown Towers)
EV Parking	4 levels basement; 1:1 parking ratio (2 BHK+); EV-ready conduit all bays

05

Amenities & Lifestyle Features

Clubhouse & Indoor Amenities

- 15,000 sqft Central Clubhouse with double-height entrance atrium
- Olympic-length swimming pool (50m × 25m; 8 lanes; FINA compliant)
- Learner's pool (25m, 4 lanes; for school & young residents)
- Gymnasium (2,000 sqft; Matrix equipment; strength + cardio zones)
- Multi-purpose sports hall (basketball, badminton, indoor cricket nets)
- Indoor sports arena (45m dome): squash, table tennis, carrom, billiards
- Skating rink (inline skate surface; 600 sqm)
- Senior citizen wellness lounge: physiotherapy room, hobby crafts, reading alcove
- Teen zone: gaming consoles, study pods, collaborative maker-space
- Banquet hall (400 pax; divisible into 3 smaller halls)
- Community library: 8,000 volumes; digital access terminals; silent study zone
- Medical centre (ground floor): general physician, pediatrics, dental, pharmacy (24×7)

Outdoor & Recreational Amenities

- 8.5-acre central community park (specimen trees; water body; amphitheatre)
- 2 km jogging track (rubberised; lit for night running; pace markers every 200m)
- Football ground (FIFA-standard synthetic turf; 7-a-side)
- Cricket ground (25-yard turf practice pitch + 3 concrete pitches)
- Outdoor basketball court (3 nos.); tennis courts (2 hard-court nos.)
- Multi-age children's play zones (5 zones across the township)
- Skate park (skateboarding, BMX, scooter; bowl + street sections)
- Pet park (4,000 sqft; 2 zones: large & small dogs; wash station)
- Organic kitchen garden (resident plots; 200 allotments)
- Reflexology garden, butterfly garden, sensory garden for senior residents

Resident Services & Building Operations

- International K–12 school campus (in-township; Cambridge curriculum; 2,400 student capacity)
- 200-bed full-service medical centre (ICU, OT, maternity, diagnostics, pharmacy)
- Retail boulevard (180,000 sqft: supermarket, pharmacy, bank, salon, restaurants, cafes)
- 24×7 security: CCTV at 480 points; boom barriers; ANPR; foot patrol
- Facility management app (Maple Connect): maintenance, visitor, amenity booking, school bus tracking)
- EV charging: 800 chargers across 4 basement levels
- Shuttle service: Maple Crown → Hinjewadi IT Park (every 15 min; 6 AM–11 PM)
- High-speed fibre: 1 Gbps per unit; Wi-Fi in all common areas
- 100% DG backup: residential units + common areas

06

Sustainability & Green Initiatives

Maple Crown's sustainability strategy is anchored by its transit-oriented, mixed-use planning — reducing car dependency and associated carbon emissions inherently at the masterplan level before any technology intervention. The project targets a 33% reduction in energy consumption and a 45% reduction in per-capita vehicle kilometres travelled compared to a conventional single-use residential development of equivalent scale.

Sustainability Initiatives Detail

Solar PV	2.4 MWp across all rooftops; covers 60% of common-area energy
STP	1,000 KLD SBR (Sequential Batch Reactor) STP; 100% grey water reuse
Rainwater Harvesting	Underground RWH storage (2.5 million L); replenishes 35% irrigation
Green Building Materials	40% fly-ash content in concrete; 25% GGBS; recycled aggregate in site roads
Urban Heat Island	30% open / green surface ratio across township; cool roofs on all blocks
Waste Management	5-bin segregation; on-site biogas plant (wet waste); e-waste drive quarterly
School Eco-Curriculum	On-site composting, urban farming, solar lab integrated in school curriculum
EV Shuttle	All township shuttles to Hinjewadi to be electric by FY2027
IAQ (School & Medical)	MERV-15 filtration + CO2 monitoring in all occupied spaces
Biodiversity	1,500 trees planted; no tree felled (all relocated); bird nesting boxes
Water Efficiency	Dual-plumbing in all units; sensor-operated fixtures; drip irrigation

07

Smart Home & Intelligent Building Systems

Maple Crown's smart township backbone runs on a dedicated private 5G network (deployed in partnership with Jio Platforms), enabling ultra-low-latency connectivity for the school, medical centre, security systems, and home automation — all on a single secure network infrastructure. The 'Maple Connect' super-app is the resident's single interface for the entire township.

Technology Features

Private 5G Network	Township-wide 5G private network; 10 Gbps backbone; sub-5ms latency
Maple Connect Super-App	Home control + school bus + medical + shuttle + maintenance + visitor
School Bus GPS	Real-time bus tracking; parent app notification on pickup/drop; CCTV in bus
Medical Emergency	In-app SOS → Medical Centre (response target: 4 min within township)
Smart Metering	AMI smart meters per unit; billing, alerts, benchmarking
Parking Guidance	Real-time bay occupancy on digital boards + app; EV bay booking
Visitor Management	QR visitor pass; face recognition at all entry gates
Home Automation	Alexa/Google integration (Crown Towers full suite; Maple Towers basic)
Community Forum	Digital noticeboard, polls, events, lost & found in Maple Connect
AI Maintenance	IoT sensors in common MEP; predictive fault notification

08

Market Analysis & Competitive Landscape

Hinjewadi and its immediate catchment represent the single largest driver of residential absorption in Pune, accounting for 28% of all new unit sales in FY2023–24. The township-format product category is in acute undersupply — only 2 other integrated townships with school+hospital+retail exist within 10 km, both of which are fully sold out. Maple Crown is uniquely positioned to capture demand from Hinjewadi IT employees seeking to eliminate commute and lifestyle inconvenience simultaneously.

Market Comparables

Kolte-Patil Life Republic – Hinjewadi	■8,200/sqft	12,000 units	2026	Active
Kolte-Patil Life Republic – Hinjewadi	■8,200/sqft	12,000 units	2026	Active
Puranik Abitante – Hinjewadi	■9,800/sqft	1,200 units	2025	95% Sold
Godrej Rejuve – Wakad	■10,200/sqft	800 units	2025	Active
Maple Crown – Hinjewadi Ph IV	■9,200/sqft	1,460 units	2028	Launching

Price Appreciation Forecast

Year	Price / sqft	Annual Change	Commentary
FY2025	■9,200/sqft	—	Launch Price
FY2026 (Proj.)	■10,500/sqft	+14.1%	Metro Announcement Effect
FY2027 (Proj.)	■12,000/sqft	+14.3%	Near Possession
FY2028 (Proj.)	■14,000/sqft	+16.7%	OC & Metro Opening

09

Investment Analysis & Financial Projections

Maple Crown's township format creates multiple investment avenues: residential units for capital appreciation and rental income, retail strata for commercial rental yield, and the unique 'school zone premium' — empirically, properties within an international school campus command a 15–22% price premium and a 25% faster appreciation trajectory vs comparables without an on-campus school.

Projected Rental Yield by Unit Type

Configuration	Expected Rent	Gross Yield	Target Tenant
1 BHK	■14,000–18,000/month	~3.5%	Young IT Professionals
2 BHK Affordable	■20,000–26,000/month	~3.2%	Mid-level IT / NRI
2 BHK Premium	■28,000–36,000/month	~3.6%	Senior IT Staff
3 BHK Duplex	■50,000–65,000/month	~3.9%	IT Managers / C-Suite
Retail Strata	■140–■180/sqft/month	~8.5%	Boulevard F&B; / Services

Payment Plan Options

Payment Plan	Structure	Notes
Down Payment Plan	10% booking; 90% within 60 days	7% price advantage
Construction-Linked Plan	10:10:10:10:10:10:10:10:10:10	Standard milestone plan
Subvention Scheme	10% booking; builder pays EMI till possession; buyer pays balance	Zero EMI scheme
NRI Plan	20% via NRE; home loan via HDFC / SBI NRI mortgage	FEMA compliant

Legal Framework, Approvals & Compliance

RERA Registration

MH/PUNE/2024/0723 – Registered with MahaRERA

Land Title & Ownership

Freehold. 7/12 extract and Index II in name of Aurora Crest Developments Pvt. Ltd. Title opinion: Khaitan & Co., Pune.

Regulatory Approvals

Building Plan Approval	PCMC (Pimpri-Chinchwad Municipal Corporation) – BP/2024/PCMC/HNJ/0231
RERA Registration	MahaRERA registered; QR on all marketing materials
Environmental Clearance	SEIAA Maharashtra – Category B2; EC granted Mar 2024
School NOC	CBSE Affiliation (applied); IB World School Application submitted
Hospital License	Clinical Establishment Act 2010 – provisional registration obtained
Fire NOC	PCMC Fire Department – Stage I obtained

Legal & Corporate Structure

Developed by Maple Crown Township SPV Pvt. Ltd. (CIN: U70200MH2024PTC342119). School campus will be leased on 30-year renewable lease to an international education operator (shortlisted: DPS International, Podar International). Medical centre will be operated under a revenue-share model with a hospital management company. Retail strata sold on freehold basis with registered sale deed.

11

Construction Timeline & Project Milestones

Q1 2024	Land acquisition complete; title consolidation
Q2 2024	PCMC building plan approval; MahaRERA registration
Q3 2024	Foundation works: Block A commenced; school campus excavation
Q4 2024	Block A–B piling complete; raft foundation; school ground floor
Q1 2025	Block A structure: floors 1–10; Block B piling & raft
Q3 2025	School campus structure complete; Block C–D commenced
Q4 2025	Block A at floor 22; Block B at floor 15; Retail Boulevard foundation
Q1 2026	Medical centre structure complete; sports arena steel erection
Q3 2026	Block C–D structures complete; internal road infrastructure
Q4 2026	All residential structures topped out; MEP rough-in
Q1 2027	School fit-out; façade works all blocks; landscape earthworks
Q3 2027	Retail boulevard shell complete; medical centre commissioning
Q4 2027	MEP commissioning all blocks; BMS / 5G network go-live
Q1 2028	Pre-OC inspections; school soft-launch (pilot batch)
Q1 2028	OC obtained; first possession batch (Block A – 280 units)
Q2 2028	Retail boulevard opens; full township operational

12

Property Management & Post-Possession Services

Post-possession management by Aurora Living Services Pune in partnership with a professional township management firm. The Maple Crown Township Association (MCTA) — a Section 8 company — will be constituted within 6 months of first possession to represent resident interests and oversee common area maintenance, school operations oversight, and sinking fund management.

Estimated Monthly Maintenance Charges

Maintenance charges are indicative at launch and will be finalised 6 months prior to possession based on actual operating cost estimates. Charges exclude electricity, individual unit consumption, and optional add-on services.

Unit Type	Estimated Maintenance Charge
1 BHK	■3,200 – ■3,800 / month
2 BHK	■4,500 – ■5,500 / month
3 BHK Duplex	■7,000 – ■9,000 / month
4 BHK Duplex	■10,000 – ■13,000 / month

13

Frequently Asked Questions (FAQ)

Q: What is the RERA registration number for this project?

A: MH/PUNE/2024/0723 – Registered with MahaRERA

Q: When will possession be offered?

A: Target possession is Integrated Township – Residential, Educational & Retail. Kindly refer to the Construction Timeline (Section 11) for milestone details. The developer commits to possession within the timeline registered with the respective state RERA authority.

Q: Is the project approved by banks for home loans?

A: Yes. The project is pre-approved by SBI, HDFC Bank, ICICI Bank, Kotak Mahindra Bank, Axis Bank, and Bank of Baroda. A dedicated home loan assistance desk is available at the sales centre.

Q: Are NRIs permitted to purchase?

A: Yes. NRIs and OCIs may purchase under the Foreign Exchange Management Act (FEMA) 1999 and RBI regulations. Funds must be remitted from an NRE / NRO / FCNR account. Dedicated NRI relationship managers are available.

Q: What are the stamp duty and registration charges?

A: Stamp duty and registration charges are as per the applicable state government schedule at the time of execution of the Agreement for Sale / Sale Deed. Buyers are advised to consult their legal counsel.

Q: Is there a guaranteed rental return scheme?

A: Aurora Crest does not offer guaranteed rental schemes. Rental yield projections in this document are based on market analysis and are not guarantees. Actual yields may vary.

Q: When will the sample flat / show unit be available?

A: Sample flats are expected to be ready approximately 30 months after construction commencement. Virtual 3D walkthroughs are available immediately on the project website.

Q: What is the process to book a unit?

A: Step 1: Select unit from availability chart. Step 2: Submit EOI (Expression of Interest) with booking cheque (₹1L–₹5L). Step 3: Agreement for Sale executed within 60 days. Step 4: Payment as per selected plan.

Q: What happens if the project is delayed beyond the RERA timeline?

A: In case of delay beyond the RERA-registered completion date, buyers are entitled to interest compensation at SBI MCLR + 2% per annum on amounts paid, as per the Real Estate (Regulation and Development) Act, 2016.

Q: Can I resell my unit before possession?

A: Yes. Resale during construction is permissible. The buyer must execute a tripartite agreement with the developer, and all transfer charges as per the Agreement for Sale terms will apply.
